

Memo

To: File
From: Karen Chandler
Date: January 4, 2000
Subject: Gasoline Odor in Sewer behind 3012 Inglewood Ct.

Wednesday, December 29, 1999, 3:00 p.m. This afternoon Mark Murphy told me that about 1:00 p.m. they were checking the flowmeter they installed in MH 112 (Q22, NW) and he smelled a strong odor of gasoline. I checked the following manholes between 3:30p.m. and 4:30 p.m:

Manhole	L.E.L	
112 (Q22,NW)	0%	No odor.
84 (Q22,NW)	0%	No odor.
86 (Q22,NE)	0%	No odor.
109 (Q22,NE)	0%	No odor.

Thursday, December 30, 1999. I talked to Mark this morning and told him what I had found. I checked the following MH's between 1:30 and 2:30 p.m:

Manhole	L.E.L.	
112 (Q22,NW)	0%	No odor.
86 (Q22, NE)	0%	No odor.
109 (Q22,NE)	0%	No odor.
